EXPERIENCE

EMAIL MARKETING INTERN

DigitalBizGuru | 6-Month Internship

- Wrote and scheduled email newsletters and marketing campaigns.
- Planned email content and supported automated email flows.
- Monitored campaign performance and audience engagement.
- Worked with Groundhogg and WordPress.
- Developed a 2-month content calendar with captions.

DIGITAL MARKETING PROJECTS

Content and Social Media

- DigitalBizGuru Content Calendar (January–February 2027): Planned a two-month content calendar and wrote captions and carousel and reel scripts covering content strategy, copywriting and paid ads.
- Aldora Woman Content Calendar (January–February 2027): Planned a two-month social media calendar and wrote captions and carousel and reel scripts for a fashion accessories brand.
- Pash Lavish Social Media Sample (portfolio project): Created a seven-day social media calendar with captions, hashtags and flyer copy for a jewellery and fragrance brand.
- Blackrock Furniture: Developed a six-month marketing strategy.

Email Marketing

- DigitalBizGuru Editorial Calendar and Email Sequences (July–September 2027): Planned a 90-day editorial calendar with monthly newsletters, blog articles written with SEO in mind, YouTube video outlines and podcast topics. Wrote three email sequences: a time-limited anniversary offer, a course sales funnel and a post-purchase follow-up.
- TaskManna Newsletters (September): Wrote a new-month welcome for existing subscribers and a product introduction for non-subscribers with social proof and a free-trial call to action.
- TaskManna Newsletters (October): Wrote a monthly check-in for existing subscribers and a B2B email on how habit accountability can support team culture and professional development.
- Social Tech Girl Newsletters: Wrote a welcome email introducing a social media management service for small businesses, and an account recovery email with specific subject lines and a reassuring tone.
- SkillHaus Africa Newsletters: Wrote a welcome email for new learners and a cohort announcement introducing the tutors, in a warm, professional tone.
- Let's Talk Women Newsletters: Wrote a welcome email and a long-form editorial with sourced statistics on women's rights, using a question-led subject line and a referral CTA.
- DigitalBizGuru Newsletters (July–August 2026): Wrote a nine-part newsletter series promoting an ads coaching programme, using A/B subject lines, clear CTAs and time-limited messaging.
- Premium-X Labs Marketing Plan (six months): Built a plan with monthly objectives, weekly activity targets, content pillars and KPIs, including email list growth targets.

Coursework and Practice

- Dreamers Desk Co. Audience and Competitor Analysis: Defined a target audience, compared three competitors to recommend a positioning strategy, and wrote a Canva post and caption drafts.
- University Café Customer Journey Map: Mapped six customer journey stages, from awareness to advocacy, with tactics for each stage.
